

AUTISM AWARENESS WEEK 2021

29th March – 4th April

#AutismAwarenessWeek #AllTogetherForAutism

2 competitions — 3 amazing prizes!

Competition 1: design our new logo! The chosen design will become our new logo & you will win a top quality weighted blanket.

Competition 2: write, draw or record YOUR description of Autism or how Autism effects you. The top 2 descriptions will be added to our professional training course AND the training course delivered to all staff at Derbyshire County Council! Plus you will win a top quality weighted blanket! This is a great opportunity to help professionals learn about and understand Autism from the perspective of those with lived experience.

To celebrate our 1 year anniversary as a service, as well as to celebrate Autism Awareness Week, we're encouraging members of Derbyshire's Autistic community to have their voice heard. We want YOU to shape how our service looks (by redesigning our logo) and how professionals learn about Autism. Anyone with lived experience is welcome to submit an entry: adults and children, as well as parents and carers. If you are under 18, please have an adult support you in sending your entry.

Your entry must be sent in by email: we are open to receiving photographs of drawings or digital drawings for the logo, and written descriptions, as well as video or audio recordings of how Autism is experienced.

Please email entries to autismservice@citizensadvicemidmercia.org.uk

Closing date is midnight on Friday 30th April 2021

If you have any questions, please call 01332 228790

Please see our website for T&Cs www.autisminformationservice.org.uk
